About the Impact of the earthquake of March 16th, 2022

Dear Valued customers,

We are afraid to tell you that we have the impact of the earthquake in Japan (occurred on Wednesday, March 16th, 2022) and the following-mentioned functions are not working.

- ✓ License activation for on-premise usage (client-server, stand-alone)
- ✓ Password change for 'CREACOMPO II' Cloud Service for Enterprise

It is caused by an electrical blackout. Restorations will be on Friday, March 18th, 2022.

We are sorry for your inconvenience. We appreciate it if you kindly accept our deepest apology.

Thank you for your understanding.

Best Regards,
Member of the Sales Department
Toray Advanced Computer Solution, Inc.
